

## Guide Me

Deorro

It's all right  
Don't fear the end  
I'll be right here  
Till it's all over

It's okay to fall  
It's okay to cry

Just wipe off the dirt  
I'm by your side  
There's no need to fear

Come and light up my way  
Show me the road  
Come and take me away  
Guide me home
