La Cita

Deorro

Oh-ho, oh
Ooh-hoo-ooh

I'll pick you up at eight, no need to complicate
Is that old school love, old school love
Flowers in my hand, I'm gonna take you back
To that old school love, old school love

Tengo mariposas (Ah-ah, ah-ah)
Este amor es otra cosa (Ah-ah, ah-ah)
Y me tiene bien nerviosa (Ah-ha, ah-ah)
Porque contigo el tiempo se me va (Se me va)

Aye, with you me voy dónde sea
Mi corazón se acelera
No puede ser que me elegiste a mi
Cuando puede estar con cualquiera
Que digan to' lo que quieran
Oh, no, we don't care lo que crean
Si solamente supieran
That I'm down for you (Down for you)

I'll pick you up at eight, no need to complicate
Is that old school love, old school love
Promételo a mi que si se va a sentir
Como old school love, old school love

I don't try to survive, but I'm keeping my word
I'll never go down to search you
You want something real and I want it too
I don't feel like me without you

We don't need to rush things, no, no, no
We don't need to crush it, yeah, yeah, yeah
We don't need to mess it up, no, no, no
I'm down with just driving you home, mm, yeah

Dime cositas bonitas
Que tus besos pertenecen en mi vida
Di que me necesitas
Dime que nunca me dejaras solita
(Ooh-hoo)
Contigo me siento bien
(Ooh-hoo)
Creo que me enamoré

I'll pick you up at eight, no need to complicate
Is that old school love, old school love
Flowers in my hand, I'm gonna take you back
To that old school love, old school love
