

Let It Go

Deorro

Don't you worry
My honey, my baby
I promise it'll be alright
How

Don't you worry
My honey, my baby
I promise it'll be alright
You just got to let it go
Sugar, go ahead and let it go
Baby, let me see you take it slow
Honey, oh

Don't you worry
My honey, my baby
I promise it'll be alright
You just got to let it go
Sugar, go ahead and let it go
Baby, let me see you take it slow
Honey, oh

Don't you worry
My honey, my baby
I promise it'll be alright
You just got to let it go
Sugar, go ahead and let it go
Baby, let me see you take it slow
Honey, oh
Oh
