

Shake That Bottle

Deorro

I don't play round
I take it down
I don't play round
You know I take it down

Shake, shake
Take it down
Shake, shake
Let's go
Shake, shake
Shake them bottles and make it *pop*
Let's go

One for the money, two for the show
Shake them bottles, bitch take it down low
One for the money, two for the show
Shake them bottles, bitch take it down low
One for the money, two for the show
Shake them bottles, bitch take it down low
One for the money, two for the show
Shake them bottles, bitch take it down low

I said
One for the money, two for the show
Shake them bottles, bitch down to the floor
One for the money, two for the show
Shake them bottles, let me see you take it low

Now shake, shake
Shake, shake
Let's go
Shake, shake
Shake them bottles and make it *pop*
Shake it
