

Unspoiled Perfection

Deorro

Ah ah ah ah
You are mine tonight
You're my unspoiled defection
All my heart [?] there is a love that grows [?]
Woah woah woah
You're my unspoiled perfection
You're my unspoiled perfection
You're the perfect I've been looking for
You're the perfect I've been longing for
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
You're my unspoiled perfection
You're my unspoiled perfection
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Unspoiled perfection
You're my unspoiled perfection
You're the perfect I've been looking for
You're my perfect [?] me
Reaching out to find, you are that feels my life
Woah woah woah
Yeah
Woah woah woah
