

A Question of Time

Depeche Mode

G
I've got to get to you first
F
Before they do
G
It's just a question of time
F
Before they lay their hands on you
Cmi
And make you just like the rest
As Es
I've got to get to you first
Gmi F Gmi F
It's just a question of time

G
Well now you're only fifteen
F
And you look good
G
I'll take you under my wing
F
Somebody should
Cmi
They've persuasive ways
As Es
And you'll believe what they say
Cmi
It's just a question of time
As
It's running out for you
Cmi
It won't be long
Gmi
Until you'll do
As B
Exactly what they want you to

Gmi F Gmi F

I can see them now
Hanging around
To mess you up
To strip you down
And have their fun
With my little one

It's just a question of time
It's running out for you
It won't be long
Until you'll do
Exactly what they want you to
It won't be long
Until you'll do
Exactly what they want you to

Sometimes I don't blame them

For wanting you
You look good
And they need something to do
Until I look at you
And then I condemn them
I know my kind
What goes on in our minds

Gmi

It's just a question of time

F

It should be better

Gmi

It's just a question of time

F

It should be better with you

It's just a question of time
