

# But Not Tonight

Depeche Mode

Oh God it's raining  
But I'm not complaining  
It's filling me up with new life  
The stars in the sky  
Bring tears to my eyes  
They're lighting my way tonight

And I haven't felt so alive  
In years

Just for a day  
On a day like today  
I'll get away from this constant debauchery  
The wind in my hair  
Makes me so aware  
How good it is to live tonight

And I haven't felt so alive  
In years

The moon  
Is shining in the sky  
Reminding me  
Of so many other nights  
But they're not like tonight

Oh God it's raining  
And I'm not containing  
My pleasure at being so wet  
Here on my own  
All on my own  
How good it feels to be alone tonight

And I haven't felt so alive  
In years

The moon  
Is shining in the sky  
Reminding me  
Of so many other nights  
When my eyes had been so red  
I'd been mistaken for dead  
But not tonight
