

# Heroes

Depeche Mode

I, I will be king  
And you, you will be queen  
Nothing could keep us together  
We could beat them just for one day  
Yeah, we can be heroes just for one day

And you, you can be mean  
And I, I'll drink all the time  
'Cause we're lovers, that is a fact  
Ooh, yes, we're lovers, that is that

Though nothing will keep us together  
We could beat them just for one day  
We can be heroes, forever and ever  
What d'you say?

Oh I, I wish you could swim  
Like the dolphins, like the dolphins can swim  
Though nothing will drive them away  
We could beat them just for one day  
We can be heroes just for one day

And I, I will be king  
And you would be my queen  
Nothing would keep us together  
We can be heroes just for one day  
We can be us just for one day

I, I can remember (I remember)  
Standing, by the wall (by the wall)  
And the guns shot above our heads (over our heads)  
And we kissed as though nothing could fall (nothing could fall)

And the shame, it fell on the other side  
Oh, we could beat them just for one day  
And we would be heroes just for one day

We can be heroes just for one day  
We can be heroes

No, nothing would keep us together  
Oh, maybe we're lying, well then you better not stay  
We could be heroes just for one day  
Oh-oh-oh-oh, we could be heroes  
Oh-oh-oh-oh, just for one day  
Oh-oh-oh-oh, just for one day
