## **Monument**

## **Depeche Mode**

When the site was found we laid the foundations down It didn't take long before they came back tumbling down Don't build at night, you need a little light How else you gonna see what it's gonna be like?

So we picked up our tools and we worked in the morning light With the last stone placed wasn't it a wonderful sight?
But it fell back down and scattered all around
Anything passes when you need glasses

My monument it fell down

Work all of my days for this kind of praise It fell down
