Shine

Depeche Mode

Put on your blindfold And a dress that's tight And come with me On a mystery night Open your eyes

Follow our stars under a painted sky We'll leave the world behind We're learning to fly We used to get by

Forget the pictures on your TV screen We'll steal the visions
That you keep for your dreams
You can turn me on

I was blind and I saw the light My angel coming In a brilliant white Shine for me

You've been hanging from a rope of mediocrity Strung up by your insecurities You can shine for me Somebody has to Shine for me It's difficult not to Shine for me

Follow our stars under a painted sky We'll leave the world behind We're learning to fly We used to get by

Forget the pictures on your TV screen We'll steal the visions
That you keep for your dreams
You can turn me on

You've been hanging from a rope of mediocrity
Strung up by your insecurities
You can shine for me
Somebody has to
Shine for me
It's difficult not to
Shine for me
Somebody has to
Shine for me
It's difficult not to
Shine for me
It's difficult not to
Shine for me
