

It Don't Seem Right

Deportees

Now It don't seem right that we try and we die
It just don't seem right, we forget and forgive
They say it's the most blessed of gifts
But it just don't seem right to me

Now it don't seem right that we wait and we wait
It just don't seem right that your folks do it too
They say we'll get our price somehow
But it just don't seem right to me

So let us saddle our anger and ride wild in our sorrow
If we don't look back we'll be out of here tomorrow
If you're planning to laugh, go ahead and do it now
We're gonna make this happen, we're gonna do it somehow

And it don't seem right that we sold out too cheap
It just don't seem right, so it's got to be wrong
They say all can be bought or sold
But it just don't seem right to me

Let us saddle our anger and ride wild in our sorrow
If we don't look back we'll be out of here tomorrow
If you're planning to laugh, go ahead and do it now
We're gonna make this happen, we're gonna do it somehow

No it just don't seem right to me
They say we'll get our price somehow
But it just don't seem right to me
It just don't seem right
