

## Out Pretending

### Deportees

Where were you  
When I was out pretending  
When I broke  
From crawling and bending

I got hit  
You turned away  
Where were you  
When I needed you that day

When I was out  
Tou saw I nhew [reversed]  
When I was out  
Tou saw I nhew [reversed]

I used to teach  
That nothing is certain  
I used to teach  
But never bring belief

Don't you agree  
That some things need [?]  
Where were you  
When I was out pretending

When I was out  
When I was out  
When I was out  
When I was out

Tou saw I nhew [reversed]  
When I was out  
Tou saw I nhew [reversed]  
When I was out
