

Come Back

Derailers

Since you've been gone somebody stole my brand new car
'N I keep breaking strings on this here guitar
There ain't nothing the way it ought to be
Since you left me

Since you been gone I don't go to work no more
'N I spend most the time staring at the door
Well, a man just came and he took away my TV.
Since you left me

Since you been gone I toss and turn, I can't sleep at night
Since you left me, nothing turns out right

Come back, to me baby
Come back, to me baby
Come back, to me baby
Come back, to me baby
Come back, to me baby
That things ain't right, well

Since you've been gone somebody stole my brand new car
I keep breaking strings on this here guitar
There ain't nothing the way it ought to be
Since you left me

Since you been gone I toss and turn, I can't sleep at night
Since you left me, nothing turns out right

You better come back, to me baby
Come back, to me baby
Come back, to me baby
Come back, to me baby
Come back, to me baby
That things ain't right

Well, come back, to me baby
Come back, to me baby
Come back, to me baby
Come back, to me baby
Come back, to me baby
That things ain't right
