

## My Angel's Gettin' Tired

Derailers

I know it's not the first time  
I've been on my knees before  
And I know I swore last time  
I won't be drinking anymore

Lord, I must confess  
I fell a time or two  
And I know with every swallow  
I took another piece of you

My angel's gettin' tired  
Of always hangin' 'round  
And although she's got wings to fly  
I've kept her on the ground

When I look into her loving eyes  
I see the distant fire  
She's still holding on  
But my angel's gettin' tired

I had your forgiveness  
And that still amazes me  
Your love held us together  
But this time how can it be?

That you still love me, angel  
And believe I'll see the light  
Oh, and I can see the damage  
Of so many sleepless nights

My angel's gettin' tired  
Of always hangin' 'round  
And although she's got wings to fly  
I've kept her on the ground

When I look into her loving eyes  
I see the distant fire  
She's still holding on  
But my angel's gettin' tired  
My angel's gettin' tired
