

False Flag Operation

Derdian

It flies along the blue skies
no one knows what's gonna happen
New York city will have

the right punishment to be
a nest of worms without a faith
greedy hawks vultures and jackals
soon the west will got a
nice surprise to share with me!

Nobody knows the truth has a different face
there is a plan to plagiarize the world
somebody will be appointed as a scapegoat
the great america will be clean again!
governments come governments go
but the same interests stay as you know
war is a deal
it's a business in action!
decisions made in secret rooms
cause of the death of the most
innocent people unaware of what is going on

and the Twin Towers collapse inexorably
how many people forced to suicide?
and hatred of the americans has been increased
the lords of war now are free to spread one more...

ONE MORE FALSE FLAG OPERATION
MADE TO DECEIVE PEOPLE, MAKE THEM
SLAVE OF DIRTY LIES
FALSE FLAG'S WAVING ON TO SACRIFICE
HUMAN LIVES WITHOUT REPENT

Media increase the tones of tragedy
in the name of brotherhood
we have never been that good!
they say now the human kind
is united but against who?

ONE MORE FALSE FLAG OPERATION
MADE TO DECEIVE PEOPLE, MAKE THEM
SLAVE OF DIRTY LIES
FALSE FLAG' S WAVING ON TO SACRIFICE
HUMAN LIVES WITHOUT REPENT
ONE MORE FALSE FLAG OPERATION
MADE TO DECEIVE PEOPLE, MAKE THEM
SLAVE OF DIRTY LIES
FALSE FLAG' S WAVING ON TO SACRIFICE
HUMAN LIVES WITHOUT REPENT
HUMAN LIVES WITHOUT REPENT
ONE MORE!
