I Am Yours

Derek and the Dominos

- I am yours, however distant you may be There blows no wind but wafts your scent to me There sings no bird but calls your name to me Each memory that has left its trace with me Lingers forever as a part of me
- I am yours, however distant you may be There blows no wind but wafts your scent to me There sings no bird but calls your name to me Each memory that has left its trace with me Lingers forever as a part of me
- I am yours, however distant you may be There blows no wind but wafts your scent to me There sings no bird but calls your name to me Each memory that has left its trace with me Lingers forever as a part of me

I am yours
