Fair

Derek Minor

Yeah
Ladies and gentlemen I got a real announcement to make
It's just that I'm feeling real good right now, aha
Yeah, yeah, yeah, yeah, yeah

We been doing all right
Yeah we doing all right
We really been living
That's something you don't like
You mad 'cause that ain't fair baby (Oh nah, that ain't fair baby)
Ooh, I'm sorry that ain't fair baby (I know that ain't fair baby)
We was way below the ground
We fine and we up now
I don't deserve these blessings
But God he just be flexin'
I know that that ain't fair baby (Woo)
Nah, nah, that ain't fair baby (Yeah, yeah, yeah, yeah)

Ayy
I had tentacles tryna twist up the greatness on me
So I cut off my pain and turned it to calamari (Woo)
And served it with all the fishes to all my villains (All my villains)
I eat at tables with enemies but they foot the billing (Yeah)
And I part ways with a hot comb to keep it straight
I got a recipe that turning this to lemonade (Lemonade)
Never had a lot of money so I use my brain (Use my brain)
Nah I'm not a neanderthal, I can never cave

We been doing all right
Yeah we doing all right
We really been living
That's something you don't like
You mad 'cause that ain't fair baby (Oh nah, nah, nah, nah, nah it ain't fai
r baby)
Ooh, I'm sorry that ain't fair baby (I'm sorry, what you want me to do?)
We was way below the ground
We fine and we up now
I don't deserve these blessings
But God he just be flexin' (God he just be flexin')
I know that that ain't fair baby (I know it ain't fair baby)
Nah, nah, that ain't fair baby (Yeah, yeah, yeah)

I've been wearing all black like grim reaper (Grim reaper)
The way I kill these beats, it should be illegal (Be illegal)
Call for double team if you tryna guard me (I'll just call for double)
Y'all just on a break, I'm 'bout to catch a body
Young Minor whippin' through yo' city in a old school
Peanut butter leather, you can't get in here with dirty shoes (Nah)
In the kitchen cooking up a smash like I'm supposed to do
Y'all been tryna steal the recipe, ooh, I'm watching you
Reason I've ben baggin' 'cause they tried to take me out (Yeah)
They must've forgot that God been leading all my routes (Yeah)
Please hold this L if you ever thought to doubt (Yeah)
Please hold yo' respect 'cause you look goofy chasing clout (Yeah)

We been doing all right
Yeah we doing all right

We really been living
That's something you don't like
You mad 'cause that ain't fair baby (Ooh, I know it ain't fair baby)
Ooh, I'm sorry that ain't fair baby (Nah, nah, nah, nah, nah, nah)
We was way below the ground
We fine and we up now
I don't deserve these blessings
But God he just be flexin'
I know that that ain't fair baby (Know what I'm saying)
Nah, nah, that ain't fair baby (Woo-ooh, woo-woo)
