

# It's Okay

Derek Minor

Sometimes we just gotta be honest  
Let the whole world know we need a break  
It's okay

It's okay not to be okay  
It's okay not to be okay  
It's okay not to be okay  
It's okay not to be okay

Sometimes, I just feel like I wanna go  
I just want everybody to leave me alone, yea  
I don't even know what to say  
I don't even know if would matter anyway  
Cause they tell me to hold on  
I don't know how to be strong  
I don't know how to be strong  
Don't wanna look the mirror in the face  
I just need a little time  
Cause days look like night  
Am I running out of life yea  
Know I gotta find the light  
I don't even wanna try but I never let it die yeah  
I've been distant, whole lot on my mind  
Please be patient with me, I'll be fine

It's okay not to be okay  
It's okay not to be okay  
It's okay not to be okay  
It's okay not to be okay

Ohhhhhh  
Ohhhhhh

Who gone save me (save me)  
When it's 2am in my room  
And I can't take it  
When them demons got a hold of me  
I feel helpless  
They almost win I won't lie  
I just said just need more time  
For the light to come and find me

I ain't had nobody to tell me it's okay so grew up violent  
Trenches baby walkin' through the mud  
We said our prays silence  
My dog my dog  
We was sleeping in them tents  
I know it's hard  
Sick of flipping quarter bricks  
Ah momma you know I miss ya  
Left when I was young I'm not okay  
But I forgive ya  
I swear I don't resent ya  
My dog my dog

It's okay not to be okay  
It's okay not to be okay

It's okay not to be okay  
It's okay not to be okay

Ohhhhhh  
Ohhhhhh
