

# No Quit

Derek Minor

I've been to hell and back  
But I ain't going back  
That's why I been on my grind  
That's why I been on my grind  
You told me I gotta shine  
Boy we ain't losin' this time  
So you know...

I don't, I don't, I don't quit  
I ain't got no quit in me (whoa, whoa, whoa)  
All I got is within me (whoa, whoa, whoa)

My teacher told me I would be nothing  
No more Reach some said I wouldn't sell nothing  
Said we ain't talking bout money  
Then boy we ain't talking bout nothing  
Well I thank God He turned nothing to something  
Boy I hear you talking that talk  
I pay no attention to that  
We ain't taking no loss  
Tell me how you how you love that  
This is not my plan  
This is the plan of the Lord  
Homie thank God I fear no man  
I know what I told you before

I know what I told you, I told you, I told you, I told you, I told you, I told you, I told you before  
They trying to hold you, hold you, hold you, hold you, hold you right down to the floor  
I just got my team and God and that's all that we need with this message we tryna get out  
Look to my left and my right and they out here with me  
Plus you know Who is holding it down  
So you know...

I been the bottom the barrel  
I been the bottom the barrel  
I've been so deep in the dark of the hole  
If you come down it probably have scared you  
Then they would say that they got you  
Til it's time to get you  
Then they forget you  
Til it's time to hit you  
Then they dismiss you  
Til you shine again  
Now they back with you  
Look at that  
Boy look at that  
Everybody fighting over little scraps  
I think the devil trying to sell our soul if the money and the fortune and the fame is where it's at  
I don't believe em though  
Still Minor and major even if I'm broke  
If there's only 10 people at my main show  
I treat it like it's an arena I just gotta though

I don't, I don't, I don't quit  
I ain't got no quit in me (whoa, whoa, whoa)  
All I got is within me (whoa, whoa, whoa)
