

# One Squad

Derek Minor

Rep yo squad like it's only one squad  
Rep yo squad like it's only one squad  
Rep yo squad like it's only one squad  
Like it's only one squad  
It's only one squad

We go, beast mode  
Get dough, ain't no cheat code  
Big Dog, Chico, Free Smoke  
Game time, we score, we go  
Rep yo squad like it's only one squad  
Rep yo squad like it's only one squad  
Rep yo squad like it's only one squad  
Like it's only one squad  
It's only one squad

Gametime, hit the shot and look down at my wrist just like it's DameTime  
Know I'm in the field kickin' game I'm on the main line  
In the air you ain't bringin' me down I got hangtime  
They wonder how I'm humble and I'm flexing at the same time  
In the paint I'm a beast  
I'm a dawg off the leash  
I got power like Tariq  
How we play come and see  
How you do it, they gon' think we got a cheat code  
I don't see no competition this a free throw  
Marshawn on the line I'm in beast mode  
I been up since 5 am and they in sleep mode  
Know I got my team back, that's the G Code  
Game winner do my dance I'm in tweak mode  
We done won back to back I need a three peat  
Crossover walk on water in the deep sea  
Step back keep the form that's a deep 3  
Jumbotron fans say we need a repeat

We go, beast mode  
Get dough, ain't no cheat code  
Big Dog, Chico, Free Smoke  
Game time, we score, we go  
Rep yo squad like it's only one squad  
Rep yo squad like it's only one squad  
Rep yo squad like it's only one squad  
Like it's only one squad  
It's only one squad

Winning team coming for everybody throat  
How you say you from that squad but ain't nobody know?  
When it's game time you calling yo mama to go home  
Bring it on I ain't dealing with no drama on the phone  
Like na! Living at the top but you ain't knowing what it cost  
We just bought a house and renovated the garage  
Gotta thank god for all the trophies on the wall  
Never signed a deal so everything we make is ours  
I know they mad but I don't sweat it  
Want them comments to get to me but I don't let it  
Got that gas super unleaded  
Rock wit the team and you know regret it

Bro I'm stamped  
I'm a bonafide champ  
Youngest on my team but I'm doing what they can't  
Grab the ball even fans of the opps start to chant because we up

We go, beast mode  
Get dough, ain't no cheat code  
Big Dog, Chico, Free Smoke  
Game time, we score, we go  
Rep yo squad like it's only one squad
