Derek Minor

Pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you (Yeah), pull up on you

All that tossin' your location, watch me pull up on you  
Boy, I'm grown, you a baby, put a Pull-Up on you  
I ain't even gotta flex to do a pull-up on you, woah  
My ego bigger than Texas, uh  
I wrestle that like I'm Austin, Steve  
Whip up a beat like it's breakfast, uh  
I like my eggs with extra cheese  
I made the bag do a backflip, uh  
My racks is doin' gymnastics, uh  
I'm Uncle Sam, I'm taxin', huh  
You ain't about all that action, I pull up on you

Pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you

Can't do business directly the way I grew up  
If you lack numbers, get your crew up  
Like Jack the Rip', I'm whippin' passionate  
When I pull up for a bag, tuck my chain and cash this in (Yeah, yeah)  
Cannot be erased  
Catch me a case tryin' to get paid today  
Hear the police  
Pull up with baddy, shawty in love with the wave  
In my own lane  
Catch me a play, I'm tryin' to stack all the cake  
This boy I have  
He knowin' when beef, better believe that I pull up

Pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you  
I might pull up on you (Yeah), pull up on you  
I might pull up on you, pull up on you  
I might pull up on you, pull up on you
