

# Stand Up

Derek Minor

Stand up  
For what you believe in  
You don't need a reason  
As long as I'm breathing, then Imma stand up  
Cause when I'm completed  
I won't be deleted  
I know that they need it, so Imma stand up  
If for only a minute keep your composure and win it  
Cause this was only invented for those that a stand up  
So go 'n get it popping cause failure is not an option  
The whole world is watching, so everybody stand up

They want me to slow down  
I can't even do it  
I feel alive when the music hit  
What are you doing here  
What will you stand for?  
Don't tell me "just do your thing"  
I ain't gonna live at the bare minimum  
I still want to see Italy while I'm still young  
They've been trying to get rid of me because my opinion  
You could blame 305 that's a city where I'm from  
Yea yea  
You don't need anyone else yea  
Stand and see everyone else here  
It's kind of hard to stand all alone  
You got a spark, something on your own  
I ain't trying to live like it's Yolo  
I know there's more than life that you don't know  
Everybody gonna smile for the photos  
But you good enough even solo

Stand up  
For what you believe in  
You don't need a reason  
As long as I'm breathing, then Imma stand up  
Cause when I'm completed  
I won't be deleted  
I know that they need it, so Imma stand up  
If for only a minute keep your composure and win it  
Cause this was only invented for those that a stand up  
So go 'n get it popping cause failure is not an option  
The whole world is watching, so everybody stand up

I been waiting for the right time to let my light shine  
And my mind saying what about now?  
If I let my dreams die  
It'll be the worst crime so I guess I better rise from the ground  
So we up yea  
Even though it's dark we had to try and spread the love yea  
I believe in you so don't you let yourself down yea  
Keep their two cents unless they're saying you're the one yea  
You're the one yea  
Talk to FERN yea

Stand up this is for my people who believe it with their hands up  
Were standing up, and standing firm me and the fam Bruv

Words to lead the people like a shepherd to a lamb bruh  
Speaking to my people like how khaled speaks to fan love  
And one get from round distractions time to land bruh stand up  
Time to take some action what you stand for stand up  
What's your other option?  
Ain't no other options find us where the top is

Stand up  
For what you believe in  
You don't need a reason  
As long as I'm breathing, then Imma stand up  
Cause when I'm completed  
I won't be deleted  
I know that they need it, so Imma stand up  
If for only a minute keep your composure and win it  
Cause this was only invented for those that a stand up
