

# Try Again

Derek Minor

All I do is win  
I'ma raise the trophy up, once again  
You did all you could  
But you gon' have to try again, next year  
All I do is win (Win, win, win, yeah)  
I'ma raise the trophy up, once again  
You did all you could (You did all you could)  
But you gon' have to try again, next year  
All I do is win  
I'ma raise the trophy up, once again  
You did all you could (All you could, all you could)  
But you gon' have to try again, next year

Ha, ha  
Ah yeah  
I been shootin' in the gym, gettin' it all, yeah  
Watch me how I ball, watch these Rangers fall, yeah  
I been on my grind, team gon' win it all, yeah  
They hate it, when I shine, but I'm like gimme mine, yeah  
I see you under one of my rings, but you're under one of my team, yeah  
I said it when I said the same thing, but we don't really know what you mean  
, yeah  
I'm royal with the crown, been top shelf, that's a king, yeah  
Y'all fill a cup with the lean, but I'ma fill it up with the hol' up  
I'll come up for anyone thinkin' I'm not gonna carry my word  
They don't believe that I carry this Canon, that's one of my names, and that  
is absurd  
We are not on the same level, I eat you like cancer  
You just a germ, authentic when I twist up  
Gettin' burned like a perm, yeah

All I do is win (Win, win, win, yeah)  
I'ma raise the trophy up, once again (Once again, yeah)  
You did all you could (You did all you could, yeah)  
But you gon' have to try again, next year (Try again)  
All I do is win (All I do is win)  
I'ma raise the trophy up, once again (Once again yeah)  
You did all you could (All you could, all you could)  
But you gon' have to try again, next year

Started off slingin' dope, tryin' to buy her things  
Lord knows I know who better, but I tried again  
Move that coco, that moco, that smoka  
Spend off the porch with a bag in her toastah  
I'll pull out a check  
Ayy  
I got a check  
Woo, woo  
Onto the next, whoa whoa  
She not lit (She not lit)  
I know she sick (I know she sick)  
She ain't get a check (Nah)  
After I knew, price of the kids  
One down an attempt, never count what's spent  
Every day I'll be on some shoes, lace on shirt (No)  
They gon' have to try again next year (Next year)  
'Cause it's my time to shine, talking last year (Last year)

All I do is win (Win, win, win, yeah)  
I'ma raise the trophy up, once again (Once again, yeah)  
You did all you could (You did all you could)  
But you gon' have to try again, next year (Try again)  
All I do is win (All I do is win)  
I'ma raise the trophy up, once again (Once again, yeah)  
You did all you could (All you could, all you could, all you could)  
But you gon' have to try again, next year
