M-M-Mal-Ski (Mal-Ski)

I-I-I-I-I need all your love right now (Right now, right now, right now)
I need all your trust right now (Trust right now, you, you, you, you, you)
You know I'ma hold you down (Hold you down, down)
Please don't make me wait (Please don't make me wait)

Ooh, you in yo' bag
You in yo' bag, you in yo' bag (You in yo' bag)
Know that you mad
But call right back, call right back
I can't be away for too long (I can't be away for too long)
Girl, you know you too wrong (Girl, you know you too wrong)
Holdin' out on me (Holdin' out on me)
I mean hair did, nails did, everything did
But even on your off days, girl you workin' that thang, yeah
I know you tired of coachin' them little lames, yeah
And you a boss, from a boss, you runnin' things, yeah

Baby, where you been? (Baby, where you been?)
Bring that lovin' to me right now (Bring that lovin' to me right now)
Long as we got us, we got trust (Long as we got us, we got trust)
It's what it's all about (It's what it's all about)

I-I-I-I-I need all your love right now (Right now, right now, right now)
I need all your trust right now (Trust right now, you, you, you, you, you)
You know I'ma hold you down (Hold you down, down)
Please don't make me wait (Please don't make me wait)

She said she never knew love
I said this is what it feel like, baby
I know them little boys too shady
Girl, hop in this two-seater and let me go ahead and drive you crazy
I'ma drive you crazy
Just blew a couple bags on the coast
You know when it come to you, I do the most
You can get whatever that you want
And this the kinda love that granny and them was talkin' about
Your girls used to dream about it
Guess we gotta show em how, but
Nobody's perfect, I know that we worth it
You lookin' at our love, it's way deeper than surface
This the kinda thing that take work, you can't purchase
This the kinda love that God made the earth wit'

Tell me, baby, where you been? (Baby where you been?)
Bring that lovin' to me right now (Bring that lovin' to me right now)
Long as we got us, we got trust (Long as we got us, we got trust)
It's what it's all about (Boom, boom, boom, boom)

I-I-I-I-I need all your love right now (Right now, right now, right now)
I need all your trust right now (Trust right now, you, you, you, you, you)
You know I'ma hold you down (Hold you down, down)
Please don't make me wait (Please don't make me wait)
