

## On The Sesh

Derek Ryan

I've been around the world and back  
On and off the beaten track  
Been to China, walked the walk  
Stood in Manhattan tall  
The Northern Lights, that made me cry  
I drove the deserts of Dubai  
Took the highs and lows  
And now I'm going home

So lads and lassies, raise a glass  
Come on, let the good times last  
We're living life without any stress  
We're on the sesh, we're on the sesh  
Everything we need is here  
The people and the atmosphere  
We shouldn't want nothing less  
We're on the sesh, we're on the sesh

Whoa-oh, oh-oh  
Whoa-oh, oh-oh  
Whoa-oh-oh  
We're on the sesh, we're on the sesh  
Whoa-oh, oh-oh  
Whoa-oh, oh-oh  
Whoa-oh-oh  
We're on the sesh, we're on the sesh

Japanese tea ceremonies  
Dancing hakas with Kiwis  
Done all there is to do  
From Berlin to Kathmandu  
I'm not saying they're no fun  
But I've seen them and now I'm done  
Stick me on the pointy plane  
And I'm coming home again

So lads and lassies, raise a glass  
Come on, let the good times last  
We're living life without the stress  
We're on the sesh, we're on the sesh  
Everything we need is here  
The people and the atmosphere  
We shouldn't want nothing less  
We're on the sesh, we're on the sesh

Whoa-oh, oh-oh  
Whoa-oh, oh-oh  
Whoa-oh-oh  
We're on the sesh, we're on the sesh  
Whoa-oh, oh-oh  
Whoa-oh, oh-oh  
Whoa-oh-oh  
We're on the sesh, we're on the sesh

So lads and lassies, raise a glass  
Come on, let the good times last  
We're living life without the stress

We're on the sesh, we're on the sesh  
Everything we need is here  
The people and the atmosphere  
We shouldn't want nothing less  
We're on the sesh, we're on the sesh

Whoa-oh, oh-oh  
Whoa-oh, oh-oh  
Whoa-oh-oh  
We're on the sesh, we're on the sesh  
Whoa-oh, oh-oh  
Whoa-oh, oh-oh  
Whoa-oh-oh  
We're on the sesh, we're on the sesh
