

Can't Be Without You

Derek Webb

I'm not scared to look into your eyes
even with him standing right beside you
love is hard, especially when you're not mine
so here's to you, you can take my heart 'cause I've lost
my mind

[Chorus]

I can't be with you but I can't be without you
there's not a doubt in my mind
I can't be with you but I can't be without you
wherever I go you're always close behind

I'm not ashamed to tell you how I feel
that's not a crime even in Nashville
it's dangerous to keep it all behind your eyes
'cause we both know the truth is stronger than the lies

[Chorus]

[Bridge]

behind the words I say to you
there is something bluer than your eyes
