

Saint And Sinner

Derek Webb

If you want my glory you gotta take my sin
If you want my future you gotta take my skin
If you want my heart you gotta take my blood
If you want my bed you gotta take my lust

'Cause i'm not a half a man
I'm not a half a man
Lord knows i love you now
But a saint and a sinner is what i am

If you want my spirit you gotta take my booze
If you want my mystery you gotta take my clues
If you want my child you gotta take my kin
If you want my money you gotta take my rent

'Cause i'm not a half a man
I'm not a half a man
Lord knows i love you now
But a saint and a sinner is what i am

And i doesn't get better once you see the light
You wake to find that the fight has just begun
I used to be a damn mess but now i look just fine
'Cause you dressed me up and we drank the finest wine

'Cause i'm not a half a man
I'm not a half a man
Lord knows i love you now
But a saint and a sinner is what i am
