

Crash

Derez De'Shon

Hope you gon' ride
If I take a little of your time
And talk to you for a second
Oh, oh, oh, oh
Don't be a fool, you can crash here, boy

I know it's hard, lil' nigga, but just keep goin', lil' nigga
Get a game, everything, put your all in, nigga
From the start, lil' nigga, keep faith in God, lil' nigga
You gon' take some L's, but learn from your losses, nigga
Stay real with yourself and trust no one
Same niggas that you love'll kill you, make a GoFund
Do everything out of love, never let 'em owe nothin'
12 get to askin' questions, tell 'em you don't know nothin'
To be a boss is gon' cost you, nigga
Just remember when you sittin' behind that wall, lil' nigga
You by yourself, ain't nobody take them charges with you
But don't forget the ones that picked up when you called them, nigga
Derez De'Shon

Hope you don't mind if I take a little of your time to talk to you for a second, yeah
Woke up this mornin', Sun shinin', cover my eyes, stomach rumblin', ain't no breakfast
No Dr. Seuss, ain't no green eggs and ham here, boy
It's like a zoo, I ain't lyin' if you last here, boy
You livin' proof, lost so many of mine last year, boy
Don't be no fool, you can crash here, boy

Talk to myself before I wreck (Before I wreck)
Can't believe I'm here, I had to check (I had to check)
And my heart still beatin' in my chest (In my chest)
'Cause before this year, I was screamin' in distress
Like help me, I ain't holdin' my breath, but it felt like I can't breathe (Can't breathe)
Second-
guessin' myself and my success like that ain't me (Like that ain't me)
"Hardaway" done went platinum, "Fed Up" goin', it can't be (Still can't believe)
Real, that's what them niggas said, but they ain't me, yeah
Them niggas ain't believe, yeah
Talkin' to God, on my knees, yeah
Thankin' the Lord for savin' me, yeah
Like thank you, thank you, Father

Hope you don't mind if I take a little of your time to talk to you for a second, yeah
Woke up this mornin', Sun shinin', cover my eyes, stomach rumblin', ain't no breakfast
No Dr. Seuss, ain't no green eggs and ham here, boy
It's like a zoo, I ain't lyin' if you last here, boy
You livin' proof, lost so many of mine last year, boy
Don't be no fool, you can crash here, boy

Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh

Oh, oh, oh
Things ain't as hard
If I didn't take care of my son and my daughters
If I didn't say hold on to the funds 'til tomorrow
If I didn't say I ain't worried 'bout no comma
'Bout a light bill, or the water
Or the rent been due, I gotta want it
Oh, Derez De'Shon, oh

Hope you don't mind
If I take a little of your time and talk to you for a second
Don't be no fool, you can crash here, boy
