

# Everything I Love

Derez De'Shon

Hey, chump  
I told them niggas I don't wanna do none of that old other shit  
Nigga, we talkin' 'bout, man  
If they ever learn something from me, man, you know what I'm sayin'  
They 'gon learn to keep the shit one-way  
Derez De'Shon

Thats on everything I love, and ain't to much I love  
Everything I ever loved either gone or done left me  
Thats on everything I love (Thats on everything I love)  
Thats on everything I love (Thats on everything I love)  
On everything I love  
I ain't got too much love  
Everything I ever loved either gone or done left me  
Thats on everything I love (Thats on everything I love)  
Thats on everything I love (Thats on everything I love)

Put in a lot of overtime to make that Rollie shine  
[?] don't even know how to change that Rollie's time (For real)  
Bitch say I'm wasting money, like she wrote the line (Damn, she trippin)  
Bitch say she love me, everytime I know she lyin' (Come on, man)  
Where was your love when I was without a dime? (Dime)  
Where was your love there when I was down and out (Out)  
Where was your love there when I was getting high (High)  
Where was your love there when I was suicide  
Niggas tried to shit on me when I ain't have shit  
Can't forget, but I don't hold grudges, that shit is [?]  
Sittin' in this big 'ol Lexus behind this black tint  
With a bad bitch with a accent

Thats on everything I love, and ain't to much I love  
Everything I ever loved either gone or done left me  
Thats on everything I love (Thats on everything I love)  
Thats on everything I love (Thats on everything I love)  
On everything I love  
I ain't got too much love  
Everything I ever loved either gone or done left me  
Thats on everything I love (Thats on everything I love)  
Thats on everything I love (Thats on everything I love)

Remember wakin' up starving (Yeah)  
Askin' to borrow a couple of dollars 'til tomorrow (I did)  
Just to get me some bread and bologna  
Buy some [?] and some waters, 'cause I was hungry (Remember)  
Remember bitches didn't want me, and niggas wasn't homies  
Now all the sudden everybody all on me  
Now all the sudden everybody want something  
Couldn't answer for nothin' when I was just living homeless  
Now I got everybody on my line (My line, oh oh)  
Walkin' up, with their hands out, in a line (No love, no love)  
Niggas talkin' like I owe them, I owe 'em a dime  
I ain't lyin, on everything I love

Thats on everything I love, and ain't to much I love  
Everything I ever loved either gone or done left me  
Thats on everything I love (Thats on everything I love)  
Thats on everything I love (Thats on everything I love)

On everything I love  
I ain't got too much love  
Everything I ever loved either gone or done left me  
Thats on everything I love (Thats on everything I love)  
Thats on everything I love (Thats on everything I love)
