

Heat

Derez De'Shon

Bust it now get low yeah you got it
Bust it
Bust it now get low yeah you got it
Bust it

Bust it now get low yeah you go it
She fucking that ain't your hoe that's my little thottie
Slushie I make it snow I ain't got no wallet
Slutty go best friend go tryna catch a body yeah
I'm her pusher man she just hit me for the re-up

This that type of shit that's gon' get that pushy beat up
City girls up again time to turn the heat up

Hot hot hot hot hot hot
Turn the heat up
Hot hot hot hot hot hot
Turn the heat up

Stop girl don't need a wife need a hot girl
I need a bitch in the Bricks I can leave all the bails and the
bricks in the spot girl
Need a bitch that's gone carry the Glock
Flip the switch and then air this bitch out
(Who the fuck keep calling your motherfucking phone nigga)
Hold up bae what you say watch this car (bow bow bow)
She toxic but it's cool that lil bitch from the projects
Whoopsy whoop that lil bitch know what's popping
Pussy good when it's wet it get sloppy
Give me head while she texting her papi
Rude boy I ain't nothing like a botie
I eat that pussy hibachi we In This bitch like we boxing
