If it's up, it's up, yeah, yeah  
If you boutta pull up, yeah, huh  
I ain't going back and forth with ya, shut up  
Nigga you know what's up with us  
You don't want nothin' with us  
If it's up, it's up, yeah, yeah  
If you boutta pull up, yeah, huh  
I ain't going back and forth with ya, shut up  
Nigga you know what's up with us  
You don't want nothin' with us  
If it's up, it's up

You don't want problems with us  
You know the Glock with us (Pow pow)  
We don't be talkin' much  
We with the popping up (Skrr skrr)  
Shoot at your top or nothin'  
You know the chop with us  
You know the chop with us (Brr, grrt)  
Get it, kill it, I spill it  
Empty the clip then flip it  
We don't be talkin' specific  
I send 'em a picture, they handle the business  
That scope'll hit you from a distance  
Lock up your nose if your nose in my business  
Trust me, nigga, we ain't tripping (Nope)  
And we ain't never been friendly  
The back and forth for the bitches (Shh)  
Play gangster and they get gangsters  
Never been on a mission (No)  
But I heard you was snitchin'  
Couple times, caught you slippin'  
Coupla killed you, but you with your children  
You know I love the children, and I don't do nothin' to children

If it's up, it's up, yeah, yeah  
If you boutta pull up, yeah, huh  
I ain't going back and forth with ya, shut up  
Nigga you know what's up with us  
You don't want nothin' with us  
If it's up, it's up, yeah, yeah  
If you boutta pull up, yeah, huh  
I ain't going back and forth with ya, shut up  
Nigga you know what's up with us  
You don't want nothin' with us  
If it's up, it's up

Stop there, please don't make me go up there  
Top floor at the Porsche building  
[?] can't even get up there  
Pretty bitches wanna fuck, yeah  
That duffel holds a million bucks, yeah  
Walk around with it on me, nigga, horseplay, I make 'em gitty up  
Chain hangin' never tucked  
And I ain't never wear a tux  
But been married to the streets for a long time  
Got my first pack it made me fall in love

I be rapping just because  
Bought my first mansion off some drugs  
Nigga, you can go and ask the plug  
And I'm still cappin' off some juggs  
Got a ghost on the top floor in the condo, no Patrick Swayze  
My neighbors know whats up, smell the dope from the elevator  
If there's smoke you know whats up, if its up know how we playin'  
Terminate 'em

If it's up, it's up, yeah, yeah  
If you boutta pull up, yeah, huh  
I ain't going back and forth with ya, shut up  
Nigga you know whats up with us  
You don't want nothin' with us  
If it's up, it's up, yeah, yeah  
If you boutta pull up, yeah, huh  
I ain't going back and forth with ya, shut up  
Nigga you know whats up with us  
You don't want nothin' with us  
If it's up, it's up
