

My Brother's Keeper

Derez De'Shon

Aye these muthafuckers ask me right?
They say "aye D-Dash whats happening man, Are you your brother's keeper" I say "Hell yeah of course, as long as that nigga don't snitch."

Its a lot of niggas do a lot of shit, but guess what?, I can't blame a fuck nigga for being a fuck nigga

I wonder will they stab me in my back like Caesar
Cause they say new problems come with new leaders
But ain't nothing changed just stick to procedure
And they ask if I'm my brother's keeper
I'm Hell Yeah, I'm my brother's keeper
Hell Yeah, I'm my brother's keeper
Hell Yeah, I'm my brother's keeper
Long as you don't stab me in my back, my brother's keeper

I'm a strong man, but ain't Hercules
I'm smoking purple trees
Can't too much get work from me
My cousin died, my brother died, and it's hurting me
Suicide, homicide, did not work for me
Who got beef though? I don't know
But my youngest nigga knocking and they shooting through the peephole
I know who gave the info, the police know
I don't hear or speak evil, but I see ghosts
Yeah, 6'6" Bruce Willis
Lord please forgivith, cause when I catch I'm killing
Broad daylight, 100 people witness
I don't give a fuck, asking for deliverance

I wonder will they stab me in my back like Caesar
Cause they say new problems come with new leaders
But ain't nothing changed just stick to procedure
And they ask if I'm my brother's keeper
I'm Hell Yeah, I'm my brother's keeper
Hell Yeah, I'm my brother's keeper
Hell Yeah, I'm my brother's keeper
Long as you don't stab me in my back, my brother's keeper
