Derez De'Shon

Woo-oooh-oooh
Woo-oooh-oooh, ooh
Dirt Gang, pay, gang
Bobby Kritical

All the years, the tears, and problems
All this pain that I feel, I'm scarred up
All the pride that I had to swallow
All I gained, I swear give it all up, give it all up
All I gained, swear I'd give it all up, give it all up
All I gained, swear I'd give it all up
All the years, the tears, and problems
All this pain that I feel, I'm scarred up
All the pride that I had to swallow
All I gained, I swear give it all up, give it all up
All I gained, swear I'd give it all up, give it all up
All I gained, swear I'd give it all up

I swear every day I miss you
I swear every day I think about you
I swear every day I'm wishin'
That you sleep and you gon' wake up out it
You ain't here and I still can't believe it
Fire my feels and my demons
You told me you loved me, I believed it
Believe it, believe it, believe it, believe it, believe it
How the fuck you ain't with me fuckin' all these models?
(How the fuck you ain't with me fuckin' all these bad hoes?)
How the fuck you ain't with me poppin' all these bottles?
(How the fuck you ain't with me actin' like an asshole?), yeah
How the fuck you ain't with me standin' on these couches?
(How the fuck you ain't with me standin' on these couches?), yeah

Lost all my niggas I want 'em back (I want my niggas right here with me now)
Give it all up and I won't want it back ('cause none of this shit means noth

I got my hood all over my back (Rex Road, Clay County, yeah)
I put my soul all over these tracks
Seen a new coupe, had to cop that (skrtrt)
It came with a roof but I chopped that (cut it)
Yeah I came through with the top back (top)
In LA in the hood, I'm with Topic
In all black with a red hat, I look like I'm straight out of Compton (look l
ike I'm straight out of Compton)
Remember them days I was bad and made somethin' out of nothin' (yeah yeah ye

It seem like, every day everything go wrong
Yeah I'm weak but I gotta stay strong
Swear I pray but I must've prayed wrong
Mistakes is pending, man I swear I'm payin' for 'em
All these bills overdue, who the fuck you think payin' for 'em?
All this money I made, made a young nigga transform
