

# Wake Up

Derez De'Shon

Niggas get killed everyday where I stay  
Niggas telling me to be safe  
But its hard to stay out the way  
So everyday when I wake, I pray  
God, give me guidance and faith  
Demons smiling all in my face  
If I'm dreaming I wanna wake up, oooh  
If I'm dreaming I wanna wake up  
If I'm dreaming I wanna wake up  
If I'm dreaming I wanna wake up  
If I'm dreaming I wanna wake up, yeah

Old bologna in the 'frigerator  
Don't throw that away, I'ma eat it later  
Trapping the door to the candy lady  
Tryna feed my two lil babies  
All my dreams done turned to nightmares, a nigga don't sleep no more  
As soon as my feet hit the floor, all I think about is money, money, more, m  
oney, money, money more  
Yeah, jumped off the porch  
Yeah, I want a Porsche  
I want a bitch that dress up like a horse  
I'm tired of sleeping on floors  
So I'm in the booth until I get hoarse  
Pop a perc to keep my teeth from gettin' sore  
Lord forgive me for sinning, steady sinning  
Tryna find a way to winning, I'm losing my mind  
Losing my mind, my mind, my mind  
Before I run out of time, I- I just wanna know what it feels like to be aliv
