

## We Both Know

Derez De'Shon

You leavin' with me, you ain't goin' home

You leavin' with me, you ain't goin' home  
Things you do with me, he won't know  
We both know, we both know  
We can't get caught up in our feelings  
You leavin' with me, you ain't goin' home  
Things you do with me, he won't know  
We both know, we both know  
We can't get caught up in our feelings

Been 'round since day one and you still here  
You ain't left yet, why you tryna disappear  
Don't let that nigga get you fucked up  
That's my pussy and you know it is, yeah  
Nah, I'm for real  
You know what come with this  
So why you actin' brand new, like you dumb and shit?  
You know who you fuckin' with  
You gon' make me pull up on you and that fool you runnin' with  
'Bout you I'm headfirst, crash dummy shit

Gave you everything you needed to make it through school  
Took you out them Adidas and put you in Loubs  
Got you out, then copped some jewelry and copped you some jewels  
Moved you out that Section 8 and I showed you the view

You leavin' with me, you ain't goin' home  
Things you do with me, he won't know  
We both know, we both know  
We can't get caught up in our feelings  
You leavin' with me, you ain't goin' home  
Things you do with me, he won't know  
We both know, we both know  
We can't get caught up in our feelings

Yeah, that pussy got me trippin', got me all up in my feelings  
When I see you with that nigga on your IG, takin' pictures  
Yeah, but you can't even blame me 'cause  
You act the same way when you see me out with my bae  
So tell me, what's the difference?  
Why you playin' with me? Tell me why you playin' with me?  
You knew what was up with us when you was layin' with me  
You know I'm jealous, I can't help it  
I eat you up, Hannibal Lecter  
You wake me up with head, no breakfast

Gave you everything you needed to make it through school  
Took you out them Adidas and put you in Loubs  
Got you out, then copped some jewelry and copped you some jewels  
Moved you out that Section 8 and I showed you the view

You leavin' with me, you ain't goin' home  
Things you do with me, he won't know  
We both know, we both know  
We can't get caught up in our feelings  
You leavin' with me, you ain't goin' home

Things you do with me, he won't know  
We both know, we both know  
We can't get caught up in our feelings

We made a promise and put everything on it  
That's mine for life no matter what, you waitin' for me  
That's mine for life no matter what  
I bet you he don't know that that's my  
We made a promise and put everything on it  
That's mine for life no matter what, you waitin' for me  
That's mine for life no matter what, don't change on me  
I bet you he don't know that that's my name on you  
I bet you he don't know that that's my name on you

You leavin' with me, you ain't goin' home  
Things you do with me, he won't know  
We both know, we both know  
We can't get caught up in our feelings  
You leavin' with me, you ain't goin' home  
Things you do with me, he won't know  
We both know, we both know  
We can't get caught up in our feelings

We can't get caught up in our feelings
