THINGS YOU DON'T KNOW

DERYL DODD  
KEVIN DENNY  
ALEX DOOLEY

It's that peaceful siesta you get under a blanker of star  
That feelin' you feel when you cross your own cattle guard  
Things you don't know, things you don't know, unless you're a cowboy

It's a good horse and saddle that fit ya' just like a glove  
Roundin' up your herd of cattle with a good pinch of snuff  
Things you don't know, things you don't know, unless you're a cowboy

Chorus:

That's just the way I am, the way I was raised  
Ain't like I had a choice, it's how I was made  
Hand tooled and crafted, just like my daddy was  
Things you don't know, things you don't know, unless you're a cowboy

It's a whole lotta time by yourself but you're never alone  
Cause there's a whole lotta hats up in heaven  
Who's already road home  
Things you don't know, things you don't know, unless you're a cowboy

Chorus:

That's just the way I am, the way I was raised  
Ain't like I had a choice, it's how I was made  
Hand tooled and crafted, just like my daddy was  
Things you don't know, things you don't know, unless you're a cowboy

Bridge:

Some people say I'm a dyin' breed  
But there's a young boy who's got the same look in his eye as me

Chorus:

That's just the way I am, the way I was raised  
Ain't like I had a choice, it's how I was made  
Hand tooled and crafted, like my dad and his daddy was  
Things you don't know, things you don't know, unless you're a cowboy

Things you don't know, things you don't know, unless you're a cowboy
