

A Call To Love

Des'ree

You, me
You, me

Bothering you
Bothering me
Can't speak for you
Can't speak for me

Been overwhelmed
Very afraid
Under your spell
Mess that I made

Knew myself - had it together
Kind to myself - handled it better

Uh Ohhh
Uh Ohhh

Tried to be cool
Silly defence
Feel like a fool
Never made sense

Oh the surprise
Knocked off my feet
Look in your eyes
Burn in your heat

Uh Ohhh
Uh Ohhh
