

I Know

Des Rocs

I know that you may hurt some times
I know you're in your head all night
I know you think of ending your life
But you're scared of how to do it right

I know, I know I know I know
I know, I know I know I know
I know, I know I know I know
I know, I know I know I know

I know you wanna be someone
I know you wanna be in love
And I know you think you fucked this up
And that you are unoriginal

Woo-ho

I know, I know I know I know
I know, I know I know I know
I know, I know I know I know
I know, I know I know I know

I know, it's all my fault
I know, it's all my fault
