

Oh lord, your talk is cheap
Oh lord, the sin is me
Oh lord, your talk is cheap
Oh lord, the sin is me

Welcome back to the martyr parade
We got hours now to ring those veins
Carve it deep in my brain so that
I'll always love ya
I won't forget ya
Shame on me to be so damn radioactive and ruin the flavor
Well I'll keep these wicked ways for now
I'm begging for ya
I'm pleading to ya
Don't, don't, don't, don't let me go

Just take me slo baby slo
Every day now
Slo baby slo
Every day now
Slo slo baby that's what I like
So give it to me slo until the day I die
I want it slo baby slo, slo, slo, slo

You only left me with a kiss on the face
Feel the warm blood slipping away
Cost me an arm and a leg so that
I'll always love ya
I won't forget ya
Shame on me to be so damn overactive and ruin my blazer
Well I'll keep these crooked ways for now
I'm begging for ya
I'm pleading to ya
Don't, don't, don't, don't let me go

Just take me slo baby slo
Every day now
Slo baby slo
Every day now
Slo slo baby that's what I like
So give it to me slo until the day I die
I want it slo baby slo, slo, slo, slo

Slo baby slo
Slo baby slo
Slo baby slo
Slo baby slo
Slo baby slo
Slo baby slo
