

Tick

Des Rocs

I feel like my whole life is counting down to something
I don't quite know what it is
And I feel somewhere between everything and nothing
But I don't really know where that is

I'm just a real good person in a real bad place
Oh I feel misunderstood
And I hope I die on my birthday
And turn the sad into something good
Now we're three seconds out and all I hear is: tick

And I, I feel like I don't know where I'm going
But, I know you and I will get there together

Psyche!

I got a funny feeling that none of this means anything
Sleep, wake, repeat and you can fuck off!

I'm just a real good person in a real bad place
Oh I feel misunderstood
And I hope I die on my birthday
And turn the sad into something fun

Now we're two seconds out and all I hear is tick
Now we're one second out and all I hear is tick
Now we're right at the end and all I hear is tick
