

The Cleric's Arcanum

Desaster

Hail holy lord of heavens
This is your deputy on earth
The prayer for your trinity
The clitist between your cheep

Sodomize, rape, enslave, oppress, steal, betray, command
The Cleric`s Arcanum

My words will not be challenged
By the sinners in this maze
Mighty father speak through me
Make `em believe, just let `em see

Sodomize, rape, enslave, oppress, steal, betray, command
The Cleric`s Arcanum

Let the children come to me, for I am the deputy

Cum inside, your choice is wise
Feel free to make me please
I cleance your Soul and feast your flesh
Your devoted offering to the lord

Hail holy lord of heavens
This is your deputy on earth
The prayer for your trinity
The clitist between your cheep

Sodomize, rape, enslave, oppress, steal, betray, command
The Cleric`s Arcanum
