

## Marriage

## Descendents

Do you know what I think about you?  
Do you know what I feel is true?  
Do you know what I think about her?  
I know she thinks about me, I'm sure  
Don't know why it's so, but it's true  
So you know what I think about you  
But do you know what you want me to do?  
When you see me staring at you  
Do you know what I want you to do?  
I don't know why it's so, but it's true!  
I don't want to have sex with you  
I want to be your friend  
I want to be with you  
I want you to marry me  
Now you know what I think about you  
You know that my speed is you  
I know I want you to be my wife  
And be with me the rest of your life  
Do you know what I think about you?
