

# Leave This Town

Desert Rose Band

Diamonds are so pretty,  
Rubies are so red  
My baby's gone and left me,  
She's made another's bed  
I can't believe this misery,  
Sneaks up on you real slow  
If she's the one in trouble  
Why's it me that has to go

I don't want to leave this town  
I'm not the one to blame  
Leaving all my friends behind  
In sorrow and shame

I thought that we were happy,  
I thought our love was true  
A better life you couldn't find  
Speak on like lovers do  
Taken by the devil  
To another man's arms  
Held captive by his richness  
And shackled by his charms

I don't want to leave this town  
I don't want to know  
Leaving all my friends behind  
I don't want to go

I can't pretend, love's lost again  
And I don't know what I'm gonna do  
It's just breakin' my heart in two

Oh, I don't want to leave this town  
I'm not the one to blame  
Leaving all my friends behind  
In sorrow and shame

I can't pretend, love's lost again  
And I don't know what I'm gonna do  
It's just breakin' my heart in two

No, I don't want to leave this town  
I don't want to go  
Leaving all my friends behind  
I don't want to know

I don't want to leave this town  
I don't want to know  
Leaving all my friends behind  
I don't want to go
