

Time Between

Desert Rose Band

Don't say you love me,
Don't say you care
You're so far away
Telephone communication,
Only a three minute elation
When I hear your voice
Through love and trust
It's gonna work out fine
The only pain I feel
Is all this time between
You and me, you and me

All the days have turned to years,
Only emphasize my fears
Since you said goodbye
I can hear your voice at night,
I can read the words you write
It's only love
Through love and trust
It's gonna work out fine
The only pain I feel
Is all this time between
You and me, you and me

Now don't say you love me,
Don't say you care
You're so far away
I can hear your voice at night,
I can read the words you write
It's only love
Through love and trust
It's gonna work out fine
The only pain I feel
Is all this time between
You and me, you and me

Through love and trust
It's gonna work out fine
The only pain I feel
Is all this time between
You and me, you and me
You and me
