We're the champions
We're the champions
For all the champions
We're the champions
This for all the champions
All the champions
We're the champions
We're the champions
We're the

I'm playing no games
Going up the same
Stay in your lane
Feel la flame

Whole gang get it on go
All about the money. You know
Rain silt hale snow
Anywhere I'm on go

NFL bullets I throw
Balling like it's basketball
I do it for me. Not all
Time to go crazy
Can't never play me
Being lazy
I get that money on the daily

We're the champions
We're the champions
For all the champions
We're the champions
This for all the champions
All the champions
We're the champions
We're the champions
We're the

They thought I retired
I never give up
Made a lot of bands. I'm up
I'm the man. So what?
Counting all these millions in the cut
No one can stop this motion
I get her all the way soaking
She wanna bust it open
Bust it open
She wanna bust it open

I feel like the man of the year
I'm dripping in Cartier
I'm wearing a chandelier
I'm doing this all year

We're the champions
We're the champions
We're the champions

We're the champions
We're the champions
For all the champions
We're the champions
This for all the champions
All the champions
We're the champions
We're the champions
We're the
