31st is Halloween
Chase you, come out and they scream
Freddy come chase you in your dreams
Quiet, start the scene, bells ring
Caskets, they closin' and things
And I start to ball, LeBron James
And I start to ball like Chris Paul
And I start to ball like Lonzo Ball
Once I start to ball I can't fall
Once I get the ball I go to score
Pussy start to drip, Niagara Falls
Divin' in that pussy, never fall

Today is the Friday 13th
Today is the Friday 13th
Today is the Friday 13th
Today is the Friday 13th, yeah
Today, yeah the Friday 13th, yeah

Today, yeah, I got my first drink, yeah
Today, yeah the Friday 13th, yeah
