

# Rain

Designer

It's JSDG with another banger  
HitmakerDot

We in the club, we got hundreds and fifties, huh (Fifties)  
We make it rain in your city (City)  
Shawty a baddie, she show me her titties, huh (Titties)  
I make it rain on a bitty (Bitty)  
For that designer, she show me that kitty, huh (Kitty)  
Digging the belly, no kizzy (Kizzy)  
Bullets, they fly and they hit out the chopper, huh (Grrah)  
Hit on a opp and get busy (Grrah)  
She make it shake, I get dizzy  
For them hundreds, for them fifties  
Throw it back, facts, no kizzy  
All these racks I stack, get with me (Get with me)  
Designer, her pussy, she dripping  
She sucking me up, yeah, so silly (She shake it)  
We make it rain in your city (She shake it)  
We make it rain in your city

We make it rain, rain in your city  
Running up cash, I can show you a milli'  
Me in the game tryna make this a billi' (Billi')  
Hit 12 o'clock, he get popped like a willy (Grrah)  
I send that bitch, I hope shorty can take it  
Got two in the crib, we got both of them naked (Naked)  
Fucking with me 'cause she know she can make it (Make it)  
Plenty of money, I double and save it (Save it)  
Yeah, I got hoes, I got shows in your city  
I drop my location, you know where to get me  
She double back, I'ma snap, she come eat me  
Ray-Bans, they stay on my face like I'm Eazy (Eazy)  
Diamond my neck and I BB my hoes  
Walk in my house, she don't need no more clothes  
Beat up that pussy 'til that pussy swole  
Hit it, she need it, she know how it goes (Git)
