Tiimmy, Tiimmy, Tiimmy Turner
He was wishin' for a burner
To kill everybody walkin'
He knows that his soul in the furnace
Fuck bitch on BET
Have her walkin', she fuckin' for BET
Wildin' for wallet
Kill everybody walkin'
He knows that his soul in the furnace
Tiimmy, Tiimmy, Tiimmy Turner

Up all night, dusk 'til dawn
Don't go to sleep until I see the sun
Fighting my demons, but they're never really gone
Paranoid thoughts, I can't trust anyone
Trust anyone, trust anyone
Trust anyone, I can't trust anyone
I can't trust anyone, I can't trust anyone
