

World

Desiigner

Leaf what up

They want me on top, on top of the world
They want me to do it again

(Way up)

They want me on top, on top of the world
They want me to do it again
(Again)

Fuck it I'll do it again (Again)
Going up Ima do it again
If I fuck her then she is a 10
Give her diamonds and Cartier lense
This Aventador this not a Benz
In the cut it's just me and my twins
Gotta show em that I put it in
DJ Khaled I'm ready to win (win, win)
I been patient a long time now
DMT got me in the sky now
And she want me on top right now
Fuck the haters they on the side now
Hold me up when a nigga fall down
Had to get in my bag and zone out
You can tell that my niggas on now

They want me on top, on top of the world
They want me to do it again
(Again, again, again)

They want me on top, on top of the world
They want me to do it again
They want me on top, on top of the world
They want me to do it again
They want me on top, on top of the world
They want me to do it again

She want Chanel and Dior again
They want to see me more again
Want me to to be me more again
Haters they talk I ignore
I gotta kick through the door again
Let niggas know I need more again
She wanna pop wit me more again
She wanna top on me more
Keeping my foot on niggas necks
Let me niggas know that Desiigner niggas next
Nigga we stayin on top
We goin up and we battle with the best
I had to find a way out
I had to get it and make a way out
They want me on top again
We had to get it and show what we about

They want me on top, on top of the world
They want me to do it again

(Again, again, again)

They want me on top, on top of the world
They want me to do it again

They want me on top, on top of the world
They want me to do it again
They want me on top, on top of the world
They want me to do it again
