

# I Believe

Desmond Dekker

I believe, I believe  
It all depends on what you believe  
Whoa ooh oh now, I believe  
It all depends on what you believe  
I believe, I believe  
It all depends on what you believe  
Whoa ooh oh now, I believe  
It all depends on what you believe

I believe, I believe  
I believe, I believe  
I believe, whoa ooh oh children

I believe  
It depends on what you believe in, yeah

I believe, I believe  
It all depends on what you believe  
Whoa ooh oh now, I believe  
It all depends on what you believe

I believe, I believe  
Whoa ooh oh now, I believe  
It all depends on what you believe

I believe, I believe  
I believe, I believe  
It all depends on you  
What you believe
